Florence Carlton Community Church is an Interdenominational church. We believe there are primary and secondary issues in faith. The primary issues are those that there can be no disagreement about, the secondary issues are not central to Christian belief and we leave compromise as an option between members of differing denominations.

Sunday 11:00 a.m.
Our Contemporary Worship Service

If you like more modern forms of praise and worship music in a very relaxed setting, this option may appeal to you. Lasting about 60 minutes you get the same message as the earlier service. Nursery and a full Sunday School program are provided.

Our Midweek Service

Our midweek service is for those that cannot make the Sunday services because of travel or work. We also have some in our congregation that make this their weekly gathering.
